Investment mix (April 30, 2024)

How risky is it?

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

Risk rating

SLGI Asset Management Inc. has rated the volatility of this fund as **Low**.

This rating is based on how much the fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the fund's returns, see the "What are the general risks of investing in a mutual fund?" section of the fund's simplified prospectus.

No guarantees

Like most mutual funds, this fund does not have any guarantees. You may not get back the amount of money you invest.

How has the fund performed?

This section tells you how Series O securities of the fund have performed. However, this information is not available because the series is new.

Year-by-year returns

This section tells you how Series O securities of the fund have performed in past calendar years. However, this information is not available because the series is new.

Best and worst 3-month returns

This section shows the best and worst returns for the Series O securities of the fund in a 3-month period. However, this information is not available because the series is new.

Average return

This section shows the value and annual compounded rate of return of a hypothetical \$1,000 investment in Series O securities of the fund. However, this information is not available because the series is new.

Who is this fund for?

Investors who:

- Seek to add exposure to a portfolio of global debt securities.
- Seek capital appreciation and income.
- Are comfortable with low investment risk.
- Are medium-to long-term investors.

Do not invest in this fund unless you are willing to accept the potential loss of a portion of your investment or if you have a short-term investment horizon.

A word about tax

In general, you will have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series O securities of the fund.

The fees and expenses - including any commissions - can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other series, funds and investments that may be suitable for you at a lower cost.

1. Sales charges

There is only one sales charge option when you buy this series.

Sales charge option	What you pay		How it works
	in percent (%)	in dollars (\$)	
Front end sales charge	0.0% to 5.0% of the purchase price of the securities you buy	You will pay a fee of \$0-\$50 on every \$1,000 you invest.	<ul style="list-style-type: none"> • You and your representative negotiate the fee, which may be up to 5.0% of the cost of the securities, and you pay this fee to your representative's firm when you buy the securities.

2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the fund's returns.

The fund's expenses are made up of the administration fee, fund costs and trading costs. The series' annual administration fee is 0.10% of the series' value. Because this series is new, its fund costs and trading costs are not yet available.

More about the trailing commission

No trailing commissions are paid out of the management fee for this series.

3. Other fees

You may have to pay other fees when you buy, hold, redeem or switch securities of this series of the fund.

Fee	What you pay
Series O Service Fee	You may negotiate a Series O service fee, to be paid by you, from 0% to 1.00%, plus applicable taxes. This Series O service fee is negotiated between you and your representative's firm by way of an agreement. If no agreement is received, the default Series O service fee will be 0%. The Series O service fee, plus applicable taxes, will be paid by you (securities redeemed from your holdings) to your representative's firm on a monthly basis.
Short-term or excessive trading fee	If you redeem or switch securities of the fund within 30 days of purchase, SLGI Asset Management Inc. may charge a short-term or excessive trading fee on behalf of the fund of 2.0% of the value of the securities redeemed or switched.
Large redemption penalties	If you have been notified that you are a large investor and you wish to redeem or switch out an amount equal to: (a) \$5,000,000 or more, if the Fund's total net assets are less than \$100,000,000 and the Fund has been available for sale for at least two (2) years; or (b) more than 5% of the Fund's total net assets, if the Fund's total net assets are greater than or equal to \$100,000,000 (either is considered a "Large Redemption"), you will pay 1% of the NAV of the securities redeemed or switched if you do not provide the required five (5) business days' notice prior to completing the transaction. If the Large Redemption would be subject to both a large redemption penalty and a short-term or excessive trading fee, only the short-term or excessive trading fee will apply.
Management fee	You will be charged a management fee directly through a redemption of securities. The management fee is 0.43%.
Switch fee	Your firm may charge you up to 2.0% of the value of securities that you switch to securities of another fund.
NSF fee	SLGI Asset Management Inc. will charge you an NSF fee (\$30 for each returned item) should any cheque or purchase order be returned because of insufficient funds in your account.
Courier or wire transfer fee	If you request that redemption proceeds be forwarded to you by courier or wire transfer, SLGI Asset Management Inc. may charge you for any costs incurred by SLGI Asset Management Inc. in connection with such delivery method.

What if I change my mind?

Under securities law in some provinces and territories, you have the right to:

- Withdraw from an agreement to buy mutual fund securities within two business days after you receive a simplified prospectus or Fund Facts documents, or
- Cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, Fund Facts document or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory.

For more information, see the securities law of your province or territory or ask a lawyer.

For more information

Contact the manager, SLGI Asset Management Inc., or your representative for a copy of the fund's simplified prospectus and other disclosure documents. These documents and the Fund Facts make up the fund's legal documents.
