### What does the fund invest in?

The Fund's investment objective is to seek long-term total return by investing primarily in a portfolio of Canadian debt securities, or by investing in securities of other investment funds (including mutual funds and exchange-traded funds) that invest in such securities, in a manner that is consistent with achieving net zero greenhouse gas emissions or carbon emissions by 2050. The Fund may invest up to 50% of its assets in foreign denominated debt securities primarily hedged back to the Canadian Dollar.

The charts below give you a snapshot of the fund's investments on November 22, 2023. The fund's investments will change.

### How risky is it?

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

### Risk rating

SLGI Asset Management Inc. has rated the volatility of this fund as **Low**.

Because this is a new fund, the risk rating is only an estimate by SLGI Asset Management Inc. Generally, the rating is based on how much the fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the fund's returns, see the "What are the general risks of investing in a mutual fund?" section of the fund's simplified prospectus.

### No guarantees

Like most mutual funds, this fund does not have any guarantees. You may not get back the amount of money you invest.

### Who is this fund for?

#### Investors who:

- Seek to add exposure to a portfolio of Canadian debt securities that aims to be aligned with net zero emissions by 2050.
- Seek long-term total return.
- Are comfortable with low investment risk.
- Are medium-to long-term investors.

Do not invest in this fund unless you are willing to accept the potential loss of a portion of your investment or if you have a short-term investment horizon.

### A word about tax

In general, you will have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

### How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series I securities of the fund.

The fees and expenses - including any commissions - can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other series, funds and investments that may be suitable for you at a lower cost.

#### 1. Sales charges

There are no sales charges payable to your representative's firm for this series.

#### 2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the fund's returns.

The fund's expenses are made up of the administration fee, fund costs and trading costs. The series' annual administration fee is 0.03% of the series' value. Because this series is new, its fund costs and trading costs are not yet available.

#### More about the trailing commission

No trailing commissions are paid for this series.

#### 3. Other fees

You may have to pay other fees when you buy, hold, redeem or switch securities of this series of the fund.

Fee	What you pay
Management fee	You negotiate and pay the management fee to SLGI Asset Management Inc. for this series of securities directly. The management fee will not exceed an annual rate of 1.50%.
Short-term or excessive trading fee	If you redeem or switch securities of the fund within 30 days of purchase, SLGI Asset Management Inc. may charge a short-term or excessive trading fee on behalf of the fund of 2.0% of the value of the securities redeemed or switched.
NSF fee	SLGI Asset Management Inc. will charge you an NSF fee (\$30 for each returned item) should any cheque or purchase order be returned because of insufficient funds in your account.
Courier or wire transfer fee	If you request that redemption proceeds be forwarded to you by courier or wire transfer, SLGI Asset Management Inc. may charge you for any costs incurred by SLGI Asset Management Inc. in connection with such delivery method.

**What if I change my mind?**

Under securities law in some provinces and territories, you have the right to:

- Withdraw from an agreement to buy mutual fund securities within two business days after you receive a simplified prospectus or Fund Facts documents, or
- Cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, Fund Facts document or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory.
